### Need to Know Details Why the Handbells Need to be Refurbished:

- The Limestone Ringers will celebrate their 35<sup>th</sup> Anniversary in 2020 and they want to celebrate with refurbished bells!
- To keep the bells in good condition, they need to be taken apart, cleaned and parts replaced on a regular basis.
- To have all five octaves of bells and the three octaves of chimes refurbished, we need to raise about \$2000.00.
- Many thanks for helping up make this happen!
