

The Road Ahead

August, 2019

August 4 marked the official beginning of our transition from the excellent work of Wayne Soble and Jean Stairs to an exciting new chapter in the life of our church. On that Sunday, Supply Minister Rev. Joe Ramsay began his year-long ministry among us. We look forward to his gifts in worship and administration that will reveal themselves over the next months. The Rev. Dr. Bill Smith, the other half of the supply ministry duo, will be with us for the first time September 15.

Each minister is working 25 hours each week. Bill's focus will be primarily on worship. A welcome luncheon will follow the regular September 15 service. Please be sure to make yourselves known to Joe and Bill over the next few months.

Shannon Smith, associated with our church for a good long time, will be taking charge of the Youth ministry in the church, beginning in September.

We look forward to having Elizabeth Amirault with us in the fall assisting with pastoral care.

Also in September a congregational meeting will be called to consider the Community of Faith Profile being submitted to the East Central Ontario Regional Council for approval and to approve a Search and Selection Team whose responsibility it will be to find ministers to assume the clergy leadership role in our church in the summer of 2020.

Gordon Sinclair
