

**Melinda's down was *up* and her *up* was down.**

*How is she ever going to make her way out of this upside down and wrong side 'round?*

*Melinda is having a bad day. She would like to go back to bed and pull the covers over her head, but her cat, Miss Kitty, has other ideas.*

*Enter the story of these two best friends as they work together to find creative solutions to frustrating problems.*
